

Students took part in various cultural and sports events with all enthusiasm and showcased their extraordinary skills and dedication

Students of Happy Home Public School, Rohini, excel in various zonal-level cultural & sports events

The students of Happy Home Public School, Rohini, showcased extraordinary skills and dedication in various zonal-level cultural, music, dance & sports events and won accolades, leaving an indelible mark on the cultural and sports landscape.

In the realm of music, the qawwali participants demonstrated exceptional prowess, demonstrating their mastery over diverse genres and instruments. Class 9 student Aayush resonated with audiences, creating an immersive musical experience.

Avni Tyagi of Class 9 won the English declamation competition, mesmerising the audience with her compelling speech while Yogya

Kaushik of Class 11 won the English recitation contest, crafting verses that stirred every soul. Simran of Class 8 won the Hindi essay writing competition, delving into complex topics and offering unique perspectives and well-researched arguments.

In the fields of sculpture, painting, and weaving, artists Himanshu and Arvi (both Class 8 students) and Ananya of Class 9 impressed all by transforming ordinary materials into extraordinary masterpieces.

On the sports front, athletes showcased remarkable skills and sportsmanship in various disciplines. Their dedication and perseverance were evident in their achievements as they

brought home trophies and medals.

From the track and field events to team sports, the athletes represented the zonal area with pride and determination. These achievements not only reflect the participants' talents and intellect but also highlight the importance of literature and oratory in shaping public discourse.

The young writers and speakers are the voices of the future as they bring about changes through the power of words.

The school regales in the achievements of the students who have with the support and guidance of their teachers and school proved their mettle.
